

2-way Artist Trailers

Our 2-Way Artist Trailer provides two generously sized 13 m² apartments, each with a slide-out extension for added space and comfort. Designed for leading talent, each apartment includes a private bathroom with toilet and shower, hot and cold water, air conditioning, a fitted refrigerator, a TV, and a comfortable lounge area.

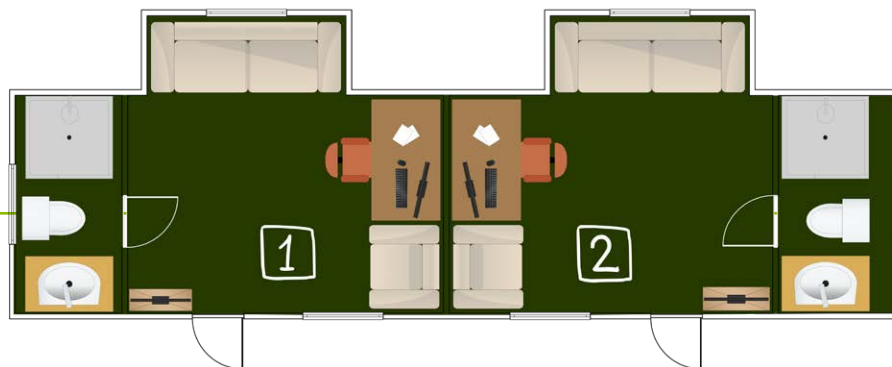

These high-spec units offer privacy and top-tier amenities for artists who need their own space on set. With dedicated work areas, lighting, and full climate control they're an ideal base between takes – whether you're shooting in the city or off the grid.
