

Costume Truck

Slightly more compact than our Costumer Trailer, the Costume Truck delivers all essential functionality in a streamlined format. Designed for productions where space efficiency matters, this trailer maintains all the vital features – dual-level hanging rails, bottom drawers and a washer and dryer setup for full costume care.

It includes a dressing cabin with mirror and a practical kitchen/office corner with sink, microwave, and fridge – providing a quiet spot for quick breaks or paperwork. A dependable option for productions that require full wardrobe functionality without compromising on professional standards.

FEATURES

- Hanging rails (two levels)
- Bottom drawers
