

Costume Van

Our Costume Van is fully equipped with everything needed for costume continuity and care on set. The Costume Van supports the full wardrobe workflow on set – from storage and fitting to steaming and repairs. Inside, you'll find built-in racks for hanging costumes, a work desk, ironing station, washer and dryer, and practical storage throughout.

With integrated lighting, heating, and a compact layout, this van delivers what your costume team needs in a mobile, organized workspace. Ideal for both fast-moving units and full-scale basecamps.
