

Makeup & Hair Truck

Our Makeup & Hair Truck provides a reliable and efficient setup for makeup and hairstyling needs on set. This air-conditioned truck includes 6 professional makeup and hair stations with mirrors and integrated lighting – giving artists the space and visibility they need to work with precision.

FEATURES

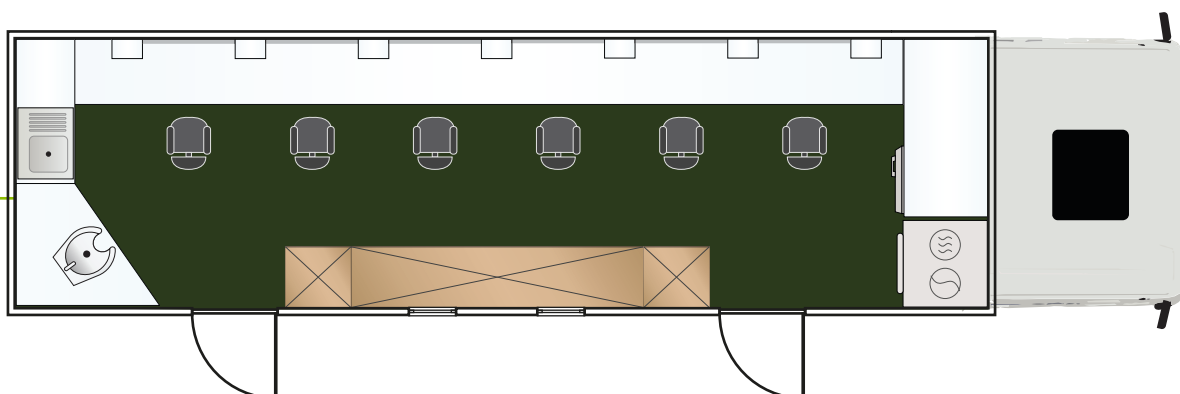

- 6 professional makeup & hair stations
- Hair washing sink with hot & cold water
- Storage cupboards & drawers
- Mirrors with integrated lighting
- Refrigerator
- Microwave
- Washing machine & dryer
- Heated towel rack
- Air-conditioning

It also features storage cupboards, a hair washing sink, fridge, microwave, heated towel rack, washing machine, and dryer – offering everything needed to support a full day of production, from first call to final touch-up.

Compact, practical, and well-lit, it's a versatile solution for productions of all sizes.
