

# Makeup & Hair Van

Our Makeup & Hair Van is a fully mobile beauty workspace equipped for both quick touch-ups and full prep sessions. With two spacious makeup stations, full-spectrum lighting, and proper ventilation, it offers artists everything they need – even in remote or compact locations.

## FEATURES

- 2 makeup workstations with lit mirrors
- Hair washing sink with hot & cold water
- Reclining makeup chairs
- Warm & cold water via on-board heater
- Fitted refrigerator and microwave
- Shelving and drawers
- LED interior & exterior lighting (4500K)
- Dual air conditioning + Webasto diesel heater
- Frost protection, roof fans, and entry steps

Each station includes a lighted makeup mirror, storage, adjustable chairs, and hot/cold water access. The van also includes air conditioning, heating, and frost protection to ensure comfort in any season.
