

Unit Van 1

Our Unit Vans are essential support vehicles designed to transport and organize a wide range of on-set necessities. Our Mercedes Sprinter and Opel Movano vans feature adjustable shelving systems to securely transport and store various unit equipment, wardrobe and make-up essentials, portable generators, foldable tables and chairs, Ez-Up

tents. They also provide transport service for costumes, props and various construction needs.

These versatile vehicles are the backbone of on-set logistics helping to keep your shoot running smoothly and your basecamp well supplied.
